Please find below our quotation for the dc machines as requested:

position		01
item		a
quantity		1 off
frame		LAK2112A
power	kW	5.7
speed	min ⁻¹	2550
armature	VA	460
armature	IA	14.8
armature	LA	
supply		3 ph thyristor
field	VF	360
field	IF	0.84
rating	S	1
protection	IP	23
cooling	IC	06
mounting	IM	1001
standards		iec34
winding		shunt
ambient		40oC
altitude		1000masl
relative humidity		<70% non condensing
insulation		f
temperature rise		f
over-temperature protection		2 x klixons
tacho/encoder		none
blower supply		220/240v I ph 50hz
filter		none
painting		std
overload		1.6 x flt for 15 secs every 5 mins
features		
		repeat of serial number 41327

despatch
validity:

**6 working weeks plus 2 weeks remaining of shut
30 days, fixed to despatch**

Offered subject to our current Standard Terms Conditions of Sale Service
(available on request).
